EXECUTIVE PROFILE

High-caliber Veterinary Intern and clinical communications specialist bridging the gap between advanced veterinary medicine and institutional knowledge translation. Orchestrates rigorous clinical performance across high-volume surgeries, exotic wildlife restraint protocols, and diagnostic gynaecology while running data-driven global medical copywriting streams. Recognized for deploying specialized AI frameworks to streamline literature synthesis and developing high-impact professional media assets that command elite authority across B2B animal-health networks.

CLINICAL INTERNSHIPS & ROTATIONS

Veterinary Gynaecology Intern – NDVSU

MAY 2026 – PRESENT |
INDORE, INDIA

- Manage diverse reproductive cases, conducting advanced clinical diagnostics and physiological tracking.
- Assist in high-acuity obstetrical maneuvers, clinical therapies, and precision patient monitoring.

Wildlife Veterinary Intern – Indore Zoo (Kamla Nehru Prani Sangrahalaya)

APRIL 2026 | INDORE, INDIA

- Gained hands-on operational experience in multi-species behavioral monitoring and preventive exotic care.
- Practiced wildlife handling, restraint methods, and therapeutic delivery alongside senior veterinarians.

Veterinary Surgery Intern – Teaching Veterinary Clinical Complex (TVCC)

MARCH 2026 | MHOW, INDIA

- Assisted in major and minor surgical interventions, managing pre-operative prep and triage diagnostics.
- Monitored multi-parameter anesthesia and vital signs peri-operatively to maximize post-surgical safety.

PROFESSIONAL MEDIA & WRITING STREAMS

Medical Content Specialist & Creator – Digital Portfolios

2019 – PRESENT | REMOTE

- Develop data-driven scientific copy and articles for global animal healthcare and B2B platforms.
- Utilize advanced AI tools to streamline clinical research, map data, and optimize writing lifecycles.
- Direct video production for educational assets, overseeing scripting and digital media curation.

ACADEMIC QUALIFICATIONS
